RHP-20

Professional DJ headphones

**Powerful sound and clear frequency separation,
optimized for DJs**

Comf

Professional premium DJ and studio headphone

With the RHP-20, Reloop introduces premium DJ headphones with scene stealing, state-of-the-art aesthetics and elite sound design that is acoustically balanced for professional use.

Clear frequency separation

Engineered with exceptionally high audio output for a club setting and clear frequency separation with the ideal balance of mids, highs and bass, these innovative headphones are perfect for the DJ booth or the

studio.

High-quality design

Equipped with a rotating ear cup for on-shoulder/single-ear monitoring, the RHP-20 is rugged and ready for continuous operation in even the most challenging environment with a sturdy hinge and folding mechanism made of high-quality aluminum and a hard rubber head band that withstands wear and tear.

Comfortable headphone

The design is lightweight, and the ear cups are carefully crafted to surround the ears in comfort with memory foam padding covered in fine protein leather, so there is no pinching or fatigue... even on a long night. A trendsetter with pristine audio quality and robust construction, the RHP-20 sets a new standard for the professional DJ headphones.
