Reeloo RHP-20 type unknown

Professional premium DJ and studio headphone

With the RHP-20, Reeloo introduces premium DJ headphones with scene stealing, state-of-the-art aesthetics and elite sound design that is acoustically balanced for professional use.

Reeloo RHP-20 type unknown

Clear frequency separation

Engineered with exceptionally high audio output for a club setting and clear frequency separation with the ideal balance of mids, highs and bass, these innovative headphones are perfect for the DJ booth or the studio.

Reeloo RHP-20 type unknown

High-quality design

Equipped with a rotating ear cup for on-shoulder/single-ear monitoring, the RHP-20 is rugged and ready for continuous operation in even the most challenging environment with a sturdy hinge and folding mechanism made of high-quality aluminum and a hard rubber head band that withstands wear and tear.

Reeloo RHP-20 type unknown

Comfortable headphone

The design is lightweight, and the ear cups are carefully crafted to surround the ears in comfort with memory foam padding covered in fine protein leather, so there is no pinching or fatigue... even on a long night. A trendsetter with pristine audio quality and robust construction, the RHP-20 sets a new standard for the professional DJ headphones.
