Martin Wisman RFX 6

The elegant multi-purpose RFX 6 is ideal for business environments, letting you enjoy full, clear sound over a wide listening area. The set has been specially designed for commercial indoor installations such as in restaurants, shops and small Karaoke rooms.

Inside this multi-purpose passive speaker are powerful 6 1/2" woofer and high-resolution 1" tweeter which deliver 80 Watts of adequate power for a consistent sound coverage in large places.

A high dynamic range and ultra-linear frequency range ensure an exceptional sound quality. Standard horizontal and vertical hanging style design, complete with brackets, these speakers can be mounted on virtually any wall.

Steel grille with acoustic filter foam provides a long terms protection for components inside.
